Player										

*All holes are PAR 3; this means an average player generally takes 3 throws to finish a hole
*Throw no more than six feet on either side of the hole post at hole start
*Disc or “Frisbee” must go completely **THRU** target from either direction
*Lowest score from previous hole throws first from tee; furthest from the target then throw first
*Throw from landing of previous throw; one foot must be planted at previous landing spot
*Leaning laterally is allowed to avoid obstacles, but no body part can be closer to target
*Throws over fence or any disc that can’t be retrieved is a one stroke penalty
*Unwind chains on target after completing hole - Don’t alter, remove, or cut vegetation during play
*Play with caution and at own risk; allow space between groups to prevent dangerous conditions
*Yield to all other park visitors not playing, including horseshoe pits, volleyball court, and tables
