**FROM:** Don West, Director of Public Works 

**SUBJECT:** Melville Road closure

**WHEN:** Due to weather delays the Melville Road closure has been extended. The work will be complete no later than November 30, 2017.

**WHY:** FDOT is constructing drainage improvements along Melville Road between Midway Road and Brack Road for the Midway Road project.

**MAINTENANCE OF TRAFFIC:** The detour for this work is Brack Road to Oleander Avenue to Midway Road to US 1 to Ulrich Road. Please see the attached plan. These closures will occur in 5 phases as described below:

Phase 1: Melville Rd. from Brack Rd. north to 5175 Melville Rd. (approx. 800') for approximately 3 weeks

Phase 2: Melville Rd. between 5105 and 5101 Melville Rd. (approx. 100') for approximately 1 week

Phase 3: Melville Rd. between 5101 and 5009 Melville Rd. (approx. 350') for approximately 3 weeks

Phase 4: Melville Rd. between 5009 and 5001 Melville Rd. (approx. 370') for approximately 2 weeks
