August 2016

# Port of Fort Pierce

## North 2<sup>nd</sup> Street Roadway Improvements

- **Project Location:** North of Seaway Drive, East of US Hwy 1
- **This project is a partnership project with:**
  - the City of Fort Pierce, (FP)**
  - Fort Pierce Utility Authority (FPUA)**
  - the Florida Department of Transportation (FDOT)**
  - and St. Lucie County (SLC)**

**Work is currently being performed along North 2<sup>nd</sup> Street, north of Seaway Drive and just east of US Hwy 1.**

**No significant traffic delays are expected at this time. The contractor will maintain at least one-lane traffic during heavy roadway construction.**

## North 2<sup>nd</sup> Street Roadway Improvements

- Project Budget: \$ 6.3 M (FDOT/SLC - Design & Construct)  
(50/50 Match Grant Funds)  
\$ 465 K (FP - CEI)  
\$ 530 K (FPUA - Install)

---

Total \$ 7.295 M
- Construction Start Date: March 2015
- Estimated Construction Completion Date: February 2017
- Description: Widening and resurfacing North 2<sup>nd</sup> Street, Indian River Drive, Fisherman's Warf, and Avenue H, in the City of Fort Pierce. The project will improve the stormwater drainage to the Indian River Lagoon and Taylor Creek areas, and will upgrade utilities to the area.
