Effective Immediately
Comprehensive Plan Amendment Schedule

Dear Applicant:

With respect to the St. Lucie Growth Management Department's continuing effort to provide a higher level of service to all participants in the development review process, the following schedule for Comprehensive Plan Amendments requiring review within one of the County's two amendment cycles, shall be effective immediately:

2008 Cycle -1 (N/A)

2008 Cycle -2

April 1, 2008* Application Submittal Deadline
December 31, 2008 Transmittal of Final Adoption to DCA

2009 Cycle -1

September 1, 2008 Application Submittal Deadline
June 30, 2009 Transmittal of Final Adoption to DCA

2009 Cycle -2

March 1, 2009 Application Submittal Deadline
December 31, 2009 Transmittal of Final Adoption to DCA

*Subsequent Cycle -2 Application Submittal Deadline date shall be March 1st

The 'amendment cycle' takes approximately ten (10) months. The schedule takes into consideration application submittal, application completeness, application distribution to County Staff and their review, the dissemination of formal findings to the applicant and time allocation for response, formal TRC and DRC notice and meetings, time allocation for preparation and required notice for formal review by the Local Planning Authority (LPA) and the Board of County Commissioners (BOCC), transmittal to DCA with time allocated for their review and response (Objections, Recommendations and Comments- ORC Report), time allocated for County Staff to respond to the ORC Report and final notice and adoption by the BOCC.

Feel free to contact us by mail, phone or email with any questions you may have.

Sincerely,

A handwritten signature in black ink, appearing to read "Mark Satterlee".
