Notes:

- One mill is equal to \$.001, which means the current millage of 6.7512 equals to \$6.75 per thousand.
If the assessed value is \$200,000 after homestead exemption - then the tax amount would be $\$200 \times 6.7512$ or $\$200,000 \times .0067512$, which equals to \$1,350.24.
- Millage Rates are per thousand.
