- *All holes are PAR 3; this means an average player generally takes 3 throws to finish a hole
- *Throw no more than six feet on either side of the hole post at hole start
- *Disc or "Frisbee" must go completely **THRU** target from either direction
- *Lowest score from previous hole throws first from tee; furthest from the target then throw first
- *Throw from landing of previous throw; one foot must be planted at previous landing spot
- *Leaning laterally is allowed to avoid obstacles, but no body part can be closer to target
- *Throws over fence or any disc that can't be retrieved is a one stroke penalty
- *Unwind chains on target after completing hole - Don't alter, remove, or cut vegetation during play
- *Play with caution and at own risk; allow space between groups to prevent dangerous conditions
- *Yield to all other park visitors not playing, including horseshoe pits, volleyball court, and tables
