

LDC Text Amendment Application Supplement

Refer to Land Development Code (LDC) Section 11.06.00 for details

- 1. If you are requesting an amendment to the text of the LDC, the precise wording of any proposed amendment to the text shall be provided:

- 2. Please give a statement describing any changed conditions that would justify an amendment:

- 3. Please give a statement describing why there is a need for the proposed amendment:

- 4. Please give a statement describing whether and how the proposed amendment conforms to the St. Lucie County Comprehensive Plan:

- 5. Please give a statement outlining the extent to which the proposed amendment:
 - A) Is compatible with existing land uses;

B) Affects the capacities of public facilities, including but not limited to transportation facilities, sewage facilities, water supply, parks, drainage, schools, solid waste, mass transit, and emergency medical facilities; (Would it exceed the capacity of the above public facilities?)

C) Affects the natural environment; (If no adverse impacts are anticipated, please explain why.)

D) Will result in an orderly and logical development pattern; (Identify any negative effects.)

6. Please explain the applicant's interest in the subject amendment and how it affects their property;

7. Please include such other information or documentation as the Planning & Development Services Director may deem necessary or appropriate to a full and proper consideration and disposition of this particular application.

Please Note: This LDC Text Amendment Application Supplement will not be considered complete without the Development Application, complete with notarized signatures of all persons applying for this amendment, or giving their consent to the filing of this application and supplement.
