

## **AIR CONDITIONING CONTRACTOR - (CLASS C)** **(LIMITED TO SERVICING A/C ONLY)**

### **DESCRIPTION:**

A Class "C" air conditioning contractor's scope of services is limited to the servicing of air conditioning, heating, or refrigeration systems, including duct alterations in connection with those systems only. A Class "C" air conditioning contractor license can only be issued to those contractors who were so certified or registered with the State of Florida on October 1, 1988, and who have maintained a valid St. Lucie County Certificate of Competency/Contractors license for Class "C" air conditioning contractor after October 1, 1988. However, the board shall continue to license and regulate those Class C air conditioning contractors who held Class "C" licenses prior to October 1, 1988. The Florida Department of Professional Regulation no longer registers this type and class of contractor. **No new Class "C" air conditioning contractors license can be issued by St. Lucie County.**

### **RECIPROCITY:**

Reciprocity is not available.
